

What's on your Wanderlist?

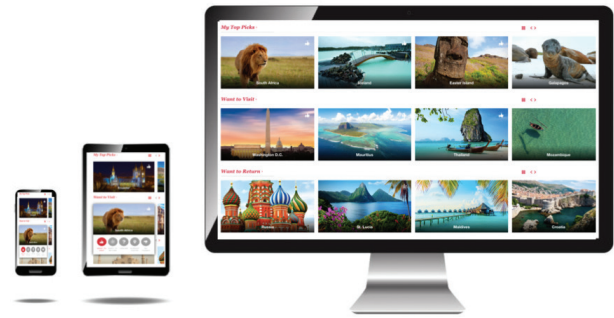

If you have travel dreams, you need a travel plan. Of all of your life priorities, leisure time is one asset you can't earn back. It pays strong dividends to collaborate with a seasoned advisor to maximize your most precious non-renewable asset – your time.

Building on the model of the financial advisor and blending the popularity of the bucket list, we're proud to introduce Virtuoso Wanderlist® Travel Portfolios. A Travel Portfolio helps save you time and money, as well as prioritize what matters most to you - a clear path to fulfilling your dreams.

HOW IT WORKS

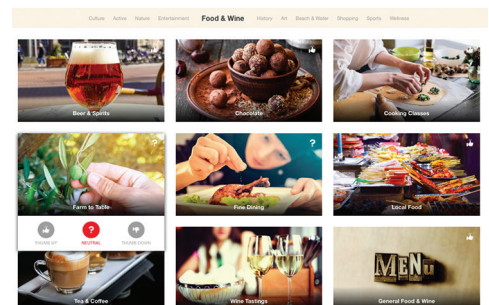

1. CREATE A WISH LIST

Each member of your Wanderlist group — your partner, family or friends — will receive an email invitation with instructions for creating a travel wish list. Lists are curated as each individual rates destinations and experiences.

2. EXPLORE YOUR CUSTOMIZED TRAVEL PORTAL

Your Wanderlist group will each have access to their own customized travel portal. It's like Netflix for travel.

Each individual can enjoy hours of inspiration and discovery whenever they want. Also available is information about seasonality, ballpark pricing, weather, and insider experiences only a Virtuoso Advisor would know.

3. DESIGN YOUR TRAVEL PLAN

Your Wanderlist advisor will collaborate with you and your group to design a customized travel portfolio. Now, you're ready to make your travel plans a reality with those who matter most.
